

To reset your WordPress password When you already have an ID

Log into the site
<https://woodcreekpittsford.wordpress.com>

When you see this login screen, Click on “Lost your password”

NOTE: If you have a change in your email address and don't remember your account password, contact Ginny Quinn to have a new account set up.

The image shows the WordPress login interface. It features a white box with a light blue border containing two input fields: "Username or Email Address" and "Password". Below these fields is a checkbox labeled "Stay signed in" which is checked. At the bottom of the box is a blue button labeled "Log In".
